

FIGURE 8 NEWSLETTER

OCTOBER 2026

Letter from the President

As we settle into the fall skating season I hope that everyone is enjoying their time at Figure 8 on and off the ice. Our annual general meeting is around the corner. Please consider volunteering for the board. We have several positions available. A full board allows Figure 8 to operate effectively and support our skaters and coaches. Being a board member is a great way to learn more about the club and counts towards volunteer credits.

Happy Halloween
everyone!

Skaters of the Month

Program Assistant

Emberly is a wonderful asset when coaching CanSkate. She is always engaged in helping skaters, while ensuring they have a fun time at skating. She is constantly focused when helping out wherever she is needed, and she is consistently reliable in all areas of program assisting. The relationships she has built with skaters have been really beneficial for their development. When a skater needs extra encouragement or assistance, she is always right there to help with a positive attitude. She also serves as an excellent role model for all of our PAs to look up to. Keep up the great work Emberly!

PreStar

Congratulations to our PreStar Skater of the Month, Sam! Sam has shown great dedication and determination. She consistently puts in the effort, always giving her best and taking feedback from her coaches to continue improving. Her hard work, positive attitude, and commitment to her skating truly stand out. She has made great progress and continues to challenge herself and build confidence in her skating.

StarSkate

Carla Livermore has truly earned Skater of the Month for her incredible accomplishments, earning 3rd place at her first ISU Adult International Competition in Vernon! Carla has put in months of hard work and dedication to help achieve such a great result at the competition. She always comes to the rink with a positive attitude. She also strives to perfect her current skills and is always willing to learn and try new things on the ice. Carla, we are super proud of everything you accomplished, and we can't wait to see what else you will accomplish this season!
