

JUNE 2026

Message from the President

June is looking to be another busy month as skaters are rehearsing for the annual ice show. This year's theme is "Musical Icicles." Mark your calendars for June 13th as this is a show you won't want to miss. All our skaters are eager to show off their skills that they have been working on all year.

As the spring session comes to a close I'd like to wish everyone a happy summer and thanks to the countless people who have made Figure 8 so amazing this year. But just because it is summer doesn't mean the skating ends! Please check our website for the summer programming we will have available.

See you on the ice!

June 13th - Ice Show 12:30-2:30

After 4 wonderful years as Office Manager at Figure 8 Skating Club, it is time for me to say goodbye.

I want to sincerely thank everyone for the incredible support, kindness, and memories throughout my time with the club. It has truly been an honour to work with and for such amazing club members, skaters, coaches, volunteers, and families. Your passion, dedication, and sense of community are what make Figure 8 Skating Club such a special place.

I am grateful for the friendships I've made and the experiences I've shared over the years. Watching the skaters grow and being part of so many special moments has meant so much to me.

As I step away from this role, I would also like to extend a warm welcome to Nicole, who will be taking over as Office Manager. I know she will be a wonderful addition to the club, and I hope everyone will give her the same support and kindness that you have shown me over the years.

Thank you again for making these past four years so memorable. I wish Figure 8 Skating Club continued success both on and off the ice, and I look forward to cheering everyone on in the future.

With gratitude,

Jacklyn Blades

Skaters of the Month

Congratulations to our Star Skater of the Month, **Felicity** Hryciw!

Felicity has shown incredible dedication and growth this season as she moved up to the STAR 3 level. Her hard work and perseverance paid off at the St. Albert STAR 1-3 Competition, where she proudly earned a silver ranking.

This season, Felicity has been focused on developing new skills and continues to push herself on the ice each week. Felicity's positive attitude, determination, and commitment to improving make her a wonderful example for her fellow skaters. We are so proud of all she has accomplished and cannot wait to see what she achieves next!

Our skater of the month for Prestar is awarded to **Henry** Gray. Henry is being recognised this month because of his outstanding effort, improvement, and positive attitude on the ice. Each week Henry is improving in all of his skills; particularly in his crossovers! Henry always brings a fun and positive attitude to the rink, making every session more enjoyable for those around him. He is resilient and determined to keep learning. He should be very proud of his achievements this month! Great skating!

Our Program Assistant for the month of May is **Elena!** She is an excellent PA who has made a significant impact on our skaters. She is kind, supportive, and encouraging, helping skaters learn and build confidence as they try new skills. Elena works exceptionally well with both CanSkate and PreCan skaters and is always willing to lend a hand to coaches. We are grateful for her dedication, positive attitude, and the enthusiasm she brings to the ice every day.

Thank you to our wonderful coaches this season, you are amazing!
