Message from the Board

Happy March everyone!

Hope everyone has been enjoying skating so far this session.

Just a quick note that Rising Star is coming up March 14. We look forward to a fun filled Saturday where skaters can show off their skills.

Also, there are few positions opened on the board and we could use you! The Communications and Marketing Coordinator and Assessment Coordinator positions are vacant. It's a great opportunity to help the Figure 8 community out. Not to mention fulfil your volunteer requirement! If interested please email president@figure8skating.ca

Lastly, we wanted to let you know that Erin Turnell has stepped down from the board. We would like to thank Erin for her time and dedication as President and in other roles. She will be missed!

StarSkater skater of the month: Megan B

Megan recently achieved the incredible milestone of passing her Gold Freeskate test. This accomplishment reflects years of dedication, perseverance, and countless hours of hard work on and off the ice. Megan has also qualified for StarSkate Championships in Calgary. Her commitment to pushing herself to new levels, combined with her hard work, and sportsmanship, makes her a true role model within our club.

Junior skater of the month: Liana T

Lianna has been working hard on her figure skating skills in prestar since September. She has demonstrated excellent listening skills, improved body awareness and power. Recently, with her new skates, she is gaining speed and even more control in her skating. As a testament to her hard work, Lianna's skating skills have improved tremendously. She always arrives on time with excitement and enthusiasm for all her training. Thank you for being an excellent role model for other skaters Lianna!

PA of the month: Emberly C.

Emberly is an excellent PA who is quick to jump in and help coaches and skaters wherever needed. She is patient with all skaters, and will take the time to make sure they're always enjoying themselves on the ice. Because of this, she contributes to creating an exciting environment for our skaters each week. Additionally, she is a great help to coaches, and knows exactly what to do and where to assist without being asked. Her strong leadership and empathy make her a great role model for other PAs and skaters. Keep up the fantastic work Emberly!
