

## MESSAGE FROM THE PRESIDENT

The month of May is shaping up to be very busy at Figure 8 (but full of fun!). Two of the events we have are our club competition and assessment day. And of special note is our awards banquet where we celebrate our skaters and all things Figure 8.

With the end of the season fast approaching, time is running out to fulfill volunteer credits. Please sign up if you have not already done so for a role. We also have several board positions still open (which fulfills the volunteer requirement). Being on the board is a great way to learn more about the world of figure skating too!

See you on the ice!

## SPECIAL DATES

May 18- No skating (Victoria Day)

May 24- Awards Banquet

May 16- No skating for ALTFS

May 28- Assessment Day

Jun 13- Spring Ice Show

# Skaters of the month

Ruby Turnell has truly earned Skater of the Month with her dedication and determination on the ice. Over the past few weeks, Ruby has reached an exciting milestone—landing her axel! This is no small achievement, and it reflects the hard work she brings to every practice. Ruby consistently shows a positive attitude, pushes through challenges, and is always willing to put in the extra effort to improve. Her perseverance and focus are paying off, and it's inspiring to see her progress. Keep it up, Ruby—this is just the beginning of many more accomplishments to come!

Destiny always shows up ready to work and excited to learn! Always smiling and determined to work hard she has improved so much. Her motivation to skate hard is inspiring and her skills on and off the ice have become stronger. Her edges and skating skills are great and she is gaining confidence in her abilities to try new challenges on the ice. She is also a great team player by celebrating all of the other skaters accomplishments on top of her own. Thank you for all the fun and laughter you bring to the rink with you Destiny!

# PA of the Month

Carina is a phenomenal PA, always showing up to sessions early to help set up and taking on whatever tasks are needed to help our programs. This month she has started leading the CanSkate Fun Zone, and has begun pursuing her CanSkate Coach training! Way to go, Carina!
