

NOVEMBER 2025

MESSAGE FROM THE PRESIDENT

As we glide into the final stretch of the fall season, there's lots to celebrate and look forward to at Figure 8!

November Highlights

Mark your calendars for an exciting day at the rink on Saturday, November 22!

- Our first CanSkate Element will showcase the progress of our youngest skaters in a fun, supportive setting.
- The Rising Star Event will highlight the fantastic work of our Star 1–3 skaters as they complete their elements and solos.
- It's also Simulation Day for our Star 4 and higher skaters—a great opportunity to prep for competition season.

Off-Ice Strength & Conditioning Program

Our new fall trial program is off to a strong start! Designed for PreStar, Star, and Adult LTFS skaters, it's been met with enthusiasm, and we are already planning to offer it again this winter. Stay tuned for details!

Looking Ahead

Save the date for our Annual Family Fun Skate & Winter Gala on Saturday, December 20. More details coming soon!

Board Opportunity

We have one last Board position to fill, and we would love your help! Joining the Board is a great way to get involved, make a difference, and meet some fun people.
